28 February 1956

25X1 3. [] brought over interim evaluations on a number of people in the Ops Course. Primarily, he wanted to show me a form which has been devised for reporting these interim evaluations. The instructors feel that it is better than *the previous system.*

25X1 4. I had about 10 minutes with [] today. He informed [] yes-
25X1 terday and [] today that he intended to resign in June or July. He also
25X1 saw people [] today to turn down their offer. *I told him not to submit a formal resignation until after your return.*

25X1 5. I met with Rositzke to find out the status of several problems. On the
25X1 visit of a [] the ball has been passed to the CI Staff.
25X1 On picking up [] it seems that Helms has confused the issue but we
25X1 should have a decision in a few days. Rositzke talked to [] today and
25X1 explained the exact procedure he should follow to get a proper request into the
25X1 hands of [] Rositzke is not interested in picking up []
25X1 old time training man and in the Investigative Techniques field. []
